Important: Please read the below, or explain it to a Young Person!

All these questions are all very simple. These questions are not meant to 'catch anyone out' but to gain **knowledge** and see if you **are really interested**. To make the questions even easier, there are **multiple answers** to nearly all of them. **Traditional Japanese Karate** is much more than Kicking and Punching (as is mentioned in the Starter Pack) it is a thing of the mind, a **Striving for Perfection of Character** . All the answers are heard at nearly every session at the club, also most are in the starter packs and there are so many books.

So if **you** are really interested in Karate **you will know all** the answers.

Sylvester Walsh 5th. Dan.

To pass you need to get 80% of the questions correct and remember you could be verbally asked some of these questions in class. Just coping from the Internet is not much good in learning anything.

There are 23 Questions, 1 Point for each correct answer.
